Overview

Team Breckenridge Sports Club/Quantum Sports Club strives to help each athlete incorporate skiing and athletics into their way of life and encourages everyone to take personal responsibility in every area of preparation and competition. We offer Alpine, Freeride and Mogul programs from one-day per week, to year-round world-class training programs. The coaches and staff are committed to treating each athlete as individuals and help them reach their potential in the sports of skiing and ski racing. Team Breckenridge Sports Club has been recognized as one of the top ten Junior racing teams in the country. Our coaches and athletes have been successful in Breckenridge since 1988 and are recognized internationally for their contribution to the sport of skiing.

Spring and Summer Camps

TBSC offers fall, spring and summer training camps at A-Basin, Steamboat, Mt Hood, Europe, South America, Australia or other world class venues. These camps are available for select 11 years and older athletes for an additional fee. Off-season conditioning is also available. TBSC strives to make these programs available for a nominal fee. Visit www.quantumsportsclub.org for details.

Alpine Team

Devo (ages 6-12):

- For the young alpine skier with a focus on all-round skiing skills, mountain safety and an introduction to ski racing.
- Program meets every Saturday and selected Holidays, December - March.
- Our DEVO Team meets each Saturday and Sunday mornings, November-March.

Age Class (ages 9-14):

Weekend Age Class:

For athletes who wish to develop their ski racing skills. Training is on weekends, select holidays, and select Friday evening sessions at Keystone, November -March

5-Day Age Class:

For athletes who would like to pursue higher levels of ski racing with additional weekday training, November-March.

Ability (ages 15 and over)

- TBSC ability programs are designed to give the 15 and older athlete a thorough understanding of ski racing and athletics in pursuit of the highest levels of skiing.
- These programs run September-April.

Mogul Team

Rippers Weekend (ages 8-13):

- Teaches kids to embrace challenge, expand their abilities, and have fun skiing the entire mountain. Coaches introduce skills, tactics and concepts for skiing, moguls, and jumping, as well as mountain safety and the competition environment.
- Program runs from October 17 – March 31.

Weekend Competition (ages 13-18):

- Focus on teaching competitive skiers to approach skiing as sport: physical conditioning, nutrition, mental training, goal setting, skill development, and competition strategy and performance evaluation.
- Program runs from October 1–April 11.

Full-Time Programs:

- Full time competition programs are geared for highly competitive athletes and offer complete training and competition support. Program runs from September 1– April 11.
